I remember a few lessons from those first two weeks: 1 it was incredibly hot and muggy all the time, and western skin burns quickly and painfully in the tropical sun, 2 underwear is useless and just leads to severe jock itch the old-timers said to just pack it away , and 3 the enemy was skillful and everywhere.

## Genealogy Ensemble

Families were waiting with their cars to pick up one or two service men, to whisk them off to see Cape Town and take them home for home comforts. After twenty minutes of doing a slow forward shuffle, and having your trousers gummed up by the half-sucked lollypop being wielded like a tennis racket by the small boy behind you, you arrive at the counter just in time to see the clerk put up the notice 'Position closed', and since it's now 5.
