On the Providence of God in the Government of the World, 1732

Obama tipped us off to his animosity to religious Americans when, campaigning in San Francisco in 2008, he insulted religious people in small towns. We live in a democracy.

Providence of God: Preservation, Care, and Government in Human Affairs

And a belief in the possibility of divine favor was held by even some of the least religious Founders. I shall endeavour to shew the first 3 Suppositions to be inconsistent with the common Light of Reason; and that the 4th is most agreeable to it, and therefore most probably true. The big majority are Latinos, with about 70 percent born in Mexico.

One Nation Under Government, Not Under God

Note: If you would like to study further about God's character and power, we have a number of other study materials on our web site that should interest you.

On the Providence of God in the Government of the World, 1732

Father God, YOU SEE their needs, You know their humble hearts crying out before You.
