Eloquence Quotes (53 quotes)

They end up taking up a hospital bed. So it is that a general of an army often has recourse to stratagems.

Eloquence of Felicities

We use them often and without thinking. The Universe is aflame with it. Forsyth goes on to explain 39 different figures of speech.

Bard 101: College of Eloquence

And I like things that stick. As members of the same body, we should not deceive one another.

How to Be More Eloquent

The other sort of eloquence is quite the reverse of this; and which may be said to be the true characteristic of the holy scriptures, where the excellence does not arise from a laboured and far-fetched, but from a surprising mixture of simplicity and majesty, which is a double character, so difficult to be united, that it is seldom to be met with in compositions merely human. That fierce, murderous eloquence does make me wonder whether the rhetoric of modern Islamists is comparable. Both are long and powerful, without published programmes, only hints and quotations to indicate some inward drama from which they derive their vitality and eloquence.
