Little Heathens: Hard Times and High Spirits on an Iowa Farm During the Great Depression

Mildred Kalish's memoir of life on a farm during the Depression is packed with fascinating experiences and observations.

Little Heathens (May 29, 2007 edition)

They needed it to pay the taxes on their farms, three of which they had rented out to the families of their daughters. I enjoyed this book so much that my hubby is now reading it.

Little Heathens

Today's kids n general have no idea how easy they have it! I had never seen adults cry.

I am really excited to try a couple of the recipes that she gives in the book. And we often resented their severity.

Little Heathens: Hard Times and High Spirits on an Iowa Farm During the Great Depression (Paperback)

The book takes listeners back in time as Kalish recounts her early life growing up on an Iowa farm in the 1920s and 30s. Kalish counts herself among the lucky of that era.

Little Heathens: Hard Times and High Spirits on an Iowa Farm During the ...

We all had to sit down at a properly set table three times a day, and we all had to eat what was served on that table. I hope I don't sound too old when I say that I miss the good ole days, even though I wasn't fortunate enough to have lived through them. To be fair, I must note that it was those habits that made it possible for them to acquire four debt-free farms by the time we came to live with them.

Little Heathens

She didn't mind when we went to bed or rose in the morning, if it was not a school day. On these visits they would stay the day, lending a hand wherever help was needed, and then return to their home in the evening. She can tell you how to domesticate raccoons and explain the proper use of beets to draw boils.

Little Heathens: Hard Times and High Spirits on an Iowa Farm During the Great Depression by Mildred Armstrong Kalish Reading Guide

Kalish counts herself among the lucky of that era. What more could you ask of a book? Apparently, I only remember crude and gross things. It is a very good book, indeed.
