Benjamin Disraeli: Biography of the British Statesman

He authorized the resumption of the Oberammergau Passion Play, about the crucifixion of Jesus.

What Disraeli Actually Said

Disraeli proposed various fiscal remedies, principally rate relief for agriculture, but also malt tax reduction and income tax differentiation in favour of tenant farmers. Why did he resist amendments proposed by Gladstone, which would have limited the franchise, but accept, often with little debate, other, more extreme amendments? He possesses all the necessary requisites of perfidy, selfishness, depravity, want of principle, etc.

Benjamin Disraeli

Gladstone was so angry that apparently he contemplated retirement to the backbenches.

Driving Mrs. Disraeli

She approved of Disraeli's imperialist views and his desire to make Britain the most powerful nation in the world. He ridiculed the traditional Tory argument, much favoured by the Tory leader Sir Robert Peel, that the disturbances were all the fault of the Reform Bill that had let into office a class of people who took the power without the duties. Whatever your methods, return Mrs.
