Problem solving strategies to enhance business performance

One way to think about the various risks an entrepreneur is faced with — or, for that matter, an investor in an entrepreneurial venture is faced with — is to break them down into several buckets. To get started tutoring, put up flyers at local schools and libraries, as well as on Craigslist. Her first break was that she had a supportive father — when he visited her and saw her plight he simply took her back.

Lateral Moves Offer Career Development for Employees

Unfortunately, the once successful chain has fallen on hard times.
