Fact 21: In 1649, the New Model Army broke up. MacCulloch subscribes to neither of these assessments.

## Life in England under Oliver Cromwell

The English statesman and general Oliver Cromwell won decisive battles in the English civil war. He knew that the maintenance of the existing state of affairs depended solely on the life of the Protector.

## The many faces of Thomas Cromwell

The next year he was elected a member of the , and being recalled from Scotland was entrusted with the command of the forces in England, and played a principal part in gaining the final triumph at 3 September 1651. He fought back for a few months, being created earl of and lord great chamberlain in April 1540, but early in June his enemies persuaded Henry that his vicegerent was a heretic and a traitor.
