**The Rise and Fall of the British Empire**

**Sheldon Rothblatt · Ideas of Decline · LRB 6 August 1981**

Investigations showed bribes had reached into high places—even to the king. Please update this article to reflect recent events or newly available information. This is the first time in the United Kingdom's history that this measure has been used, although the Bank's suggested it was not an experiment.

**Reasons Why The British Were Successful In Expanding Their Empire**

The Gentry in England and Wales, 1500-1700.

**Reasons Why The British Were Successful In Expanding Their Empire**

Sugar, tea and tobacco became some of the most profitable goods, and the British Empire went mad for addictive foreign substances.

**The Tasks of Economic History**

Bibliography Includes bibliographical references and index.
