## **Library : Jerusalem: Considerations of the Secretariat of State**

They regard Arab East Jerusalem as the capital of a future Palestinian state and as a pivotal part of the West Bank, although that is not something that Israel is ready to concede. Much of this history is recorded in the history book almost no one relies on—the Bible.

## **Jerusalem/Holy places**

We can certainly understand how Jewish people who have lavished their love upon the city of their fathers would not wish to see their carefully nurtured parks and gardens turn to weeds and rubble. It is about to play a central role in world events. No city stirs passions like Jerusalem! By global standards it is a meager city within a minor nation whose own future is in doubt.

## **End of the world: Jerusalem third temple fulfils Bible prophecy**

In his Mishneh Torah of 1180, the Spanish philosopher Moses Maimondes told that Solomon had constructed a special hiding place for the Ark in tunnels deep beneath the temple. These factors have especially affected Jerusalem where secularism alongside a religious Judaism adds to both confusion and conflict within the city.

## **Jerusalem in the Coming Days**

Jerusalem was a lot of things throughout her history, but she was never the capital city or center of national life for anyone but the Jewish people. The Holy Roman Empire has made pivotal and defining contributions to Western civilization-but its many reincarnations have also come with painful and catastrophic consequences.

## **Jerusalem: A Sacred City, or a Political Symbol? — The Centre on Religion and Global Affairs**

In Christ, we are brought near on the merits of our great, High Priest, Jesus Christ. In the climactic struggle for Jerusalem in 1967, there was fierce fighting at the place as Israel Defense Forces troops stormed well-fortified Arab positions.
