The defenders of its Pauline authorship argue that it was intended to be read by a number of different churches and that it marks the final stage of the development of Paul's thinking. There are debates as to whether Paul understood himself as commissioned to take the gospel to the gentiles at the moment of his conversion. In 1013, , massacring its inhabitants, pillaging the city, and burning the palace complex to the ground.

## 20 Tasty Fruits with Health Benefits

Today, Paul's epistles continue to be vital roots of the theology, worship and life in the and Protestant traditions , as well as the Eastern Catholic and Orthodox traditions.
