This suggests that caregivers may not be aware of the available resources or insufficient caregiver-centred resources were provided. The proceeding will be submitted to CNKI, Google Scholar, Google, DOAJ, Citeseer for Indexing The Proceeding will also be submitted to ISI Thomson for review and indexing.

## International Symposium on Uranium Raw Material for the Nuclear Fuel Cycle: Exploration, Mining, Production, Supply and Demand, Economics and Environmental Issues (URAM)

Ideally within an organisation there should be a questioning attitude, a rigorous and prudent approach to safety issues and good communication of safety related information. Over the mine life an estimated 56 million dry tonnes of tailings will be transported to the TSF, resulting in over 10,000 tonnes of uranium being stored in the TSF.

## Interface questions in nuclear health and safety : proceedings of an NEA Seminar held in Paris on 16th

By long tradition, it's always meant a person grounded in the Liberal Arts. Article 7: LEGISLATIVE AND REGULATORY FRAMEWORK 1. On many occasions in the final public debates about the merit of the curriculum, the FIPSE Award was cited as evidence that people outside Buffalo believed in our program.
