Criminology Centres Most of the criminological research in Canada has been done at those universities where centres focusing on research have evolved.

Understanding Criminology Theories

Once a month, the MLLG meets with prisoners to build positive relationships, collaborate on joint projects such as Story Time with Dad and Prisoners Justice Day, sharing information about laws and policies for prisoners, and assisting in community initiatives to drive awareness of the dehumanizing effects of prison.

Understanding Criminology Theories

The material is presented in a simple but elegant format. .I would seriously consider this text for adoption.

Criminology: A Canadian Perspective — Top Hat Book Shop

The Centre has moved steadily from a research unit to one that is actively involved in teaching at both the graduate and undergraduate level.
