The news that the populist AFD party in Germany is on the decline might not herald a larger political shift throughout Europe. And yet, European societies distinguish themselves by a high degree of secularisation possibly Ireland and Poland apart and stand out from other Western countries, like the USA, which is a secular country assertion of the separation of the Church and the State but which acknowledges the significant place that religion occupies in the public sphere. Carl Stephenson, Medieval History, chs.

## History

Hayes, Political and Cultural History of Modern Europe, vol. But Pauline had other affairs as well — and Louis always looked the other way. This competition took various shapes: from emulation to the foundation of European dynamism to rivalry and conflict, which explains the tragedy of the wars throughout Europe's history.

## **A Syllabus for a Course in the History of European Civilization: For Use With Ferguson and Brunn, A Survey of European Civilization on JSTOR**

It is a European ambition that has to be created or revived. The question of identity seems to be a point shared by many populist and far right parties in Europe.
