## Gradus Ad Parnassum by Fux

This work is in the public domain in the United States of America, and possibly other nations.

## Gradus ad Parnassum, Op.44 (Clementi, Muzio)

Gradus ad Parnassum is the major work of musical theory by an Austrian composer, Johann Joseph Fux, published in 1725. Furthermore, Gradus ad Parnassum is a noteworthy historical document in that it clearly delineates the stylistic distinction of the entire baroque era between an antique and sacred style and a more modern and largely secular style.

## Gradus Ad Parnassum by Clementi

In 1698, Leopold hired him as court composer.
