## Chapter 9

. Clarkson was then publishing a paper in Lawrenceburg.

**The Project Gutenberg eBook of Famous Men of Science, by Sarah K. Bolton.**

New-York City, Wednesday, October 26, 1853. Hawkins, master, one of the packets between New York and Havre, received her passengers on board at the former place, and dropped down to Sandy Hook Bay, where she anchored, awaiting a favorable wind. The Austrians at Berlin are agitating against my appointment, because my black-and-white is not sufficiently yellow for them; but I hardly believe they will succeed, and you, my poor dear, will probably have to jump into the cold water of diplomacy; and the boy, unlucky wight that he is, will have a South-German accent added to his Berlin nativity.

## Living My Life/Volume 2

One of the interesting experiences of my Denver stay was meeting Julia Marlowe Sothorn and Gustave Frohman.

## Autobiography of a Yogi, by Paramhansa Yogananda

The impression it made was piteous, while even my most zealous opponents shook my hand with greater warmth after my declaration. After several years residence in the West, Mr.
