## 92 ideias de Mulheres boas

They sounded like really nasty women anyway. What I liked most is the crude honesty and the brutal humanity. Basically this is autobiographical fiction about a brief period in Bukowski's life.

## Women in Space

From Mulher machi the trio of forts Mora, Hargad and Mulher can easily be climbed in a day. The worst thing for a writer is to know another writer, and worse than that, to know a number of other writers.

## Mulher

This book reminded me so much of a year in my life.

## Mulheres... Mulheres (1981)

Most of those women in Henry's life were as low as Chinaski, but all of them had something in common: Driven by his writing, they were all attracted to him in an unconscious way.

## 900+ ideias de Mulheres Bonitas em 2021

Minami Shirakawa Portrayed by: A nudist at home who has a mysterious demeanor and occasionally violent tendencies.

## Million Yen Women

As she got older, Midori took on part-time work to save for her independence from the orphanage and its unconventional rules.

## Mulheres... Mulheres (1981)

The ban on ephedra didn't help either. And yet women - good women - frightened me because they eventually wanted your soul, and what was left of mine, I wanted to keep.
