## StampAuctionNetwork

A detailed description of the Current Auction can be found in the section. Curious about the most valuable rare stamps in the world? The Sale contained 1298 lots, representing Gold and Silver Coins of the People's Republic of China, Finland, and Russia, Worldwide rare stamps and postal history of the US, Great Britain and Commonwealth, Asia, Middle East, Eastern, and Western Europe.

## Postage Stamp Auctions

They were supposed to be pink, but some of them were printed in blue. He then sold it to a Stockholm dealer Heinrich Lichtenstein for seven kronor. Collectible stamps with curious printing errors can command significant premiums.

## Current Auction

Also featured are large die proofs from the American Bank Note Company, issued for various South and Central American countries.

## Cherrystone Auctions

CURRENT AUCTION CATALOGUE The current Auction Catalogue with the detailed lot descriptions, full color images, and current bids is in the CURRENT CATALOGUE section. Professional Affiliations Cherrystone is a member of all leading philatelic organizations including the , , , , , and more.
