Fish and Wildlife Improvement Act of 1978

Narrative annual reports of fish hatcheries, 1955-67. Redesignated Branch of Wildlife Research, 1948.

UK Wildlife Law

Seizure in execution of duties Any officer acting in the course or scope of duty who discovers an offence being committed against this Act or the regulations may seize a all or part of any wildlife or exotic wildlife, or the pelt, skin or hide of any wildlife or exotic wildlife; b any firearm, ammunition, decoy, or other implement or appliance used for shooting, hunting or trapping; c any vehicle, boat, aircraft, or other conveyance; and d any other thing; which is being used to commit the offence or which is evidence of the offence, and may bring it before a justice, or report on it to a justice, to be dealt with according to law. C 1 The magistrates court has concurrent jurisdiction over violations of Sections 50-15-15, 50-15-20, 50-15-30, 50-15-40 D and E , 50-15-55, 50-15-70, and regulations promulgated pursuant to these sections.

UK

By order of the Secretary of Commerce and Labor, February 15, 1905, responsibility for Alaska fisheries transferred to the Bureau of Fisheries. Licence for specific period A licence or permit may be issued for a specific period, and a licence or permit so issued is invalid and of no effect except during that specific period. Reports on fish pathology and water pollution, 1903-32.

Code of Laws

Compliance with terms and conditions of licences and permits Every holder of a licence or permit shall comply with the terms and conditions thereof.
