Now get the fuck outta here and go eat a dick, pussy. Oh and of course the only people required to do this would be women.

Why Do People Commit Suicide?

In 2001, it was estimated that only 39% of rapes and sexual assaults were reported to the police. Women infected by feminism hold so much anger that it is etched onto their faces.

Why men are more likely to commit suicide than women

Kim Young-taek, also from the development institute, says the problem is not purely financial. During the timeframe in question, tribal warfare was rampant.

15 Common Causes Of Suicide: Why Do People Kill Themselves?

Why someone who has been depressed before and responded to drugs before should feel hopeless is not clear; but sometimes the suicidal person exaggerates and misperceives his or her circumstances. Unsupervised guys with no positive role models will generally establish their place in the order by exhibiting testosterone driven dominant behaviors- physical domination and risk taking behavior to impress the pack. In late spring of this year, researchers at the Centers for Disease Control and Prevention published a troubling data analysis of suicides in the United States.
