## Reference and Information Services: An Introduction, Fourth Edition

A dictionary catalog requires least explanation and is most popular, but it is more difficult to make well, and except at prohibitive cost cannot give intelligent investigators as clear and methodic exhibits of a library's resources as a classified catalog.

## The Encyclopedia Americana (1920)/Library Administration

The somewhat smaller library may prefer the English work. Education is the chief concern of the American people, and the states that have done most for their education have been the most prosperous.

## The Project Gutenberg eBook of The Library and Society, by Various

While the present tendency is toward shelf-lists on cards because they allow exact intercalation and save rewriting, these advantages are counterbalanced by danger of having so vital a record as the library inventory in such form that an entry may be removed without detection and by inconvenience of seeing only one entry at a time in shelf reading. Most of them have completed 12 years of schooling or undergraduate degree.

## International Journal of Library and Information Science

Does Caesar, does Alaric, hold existence by any other or stronger tenure than the Christian of Bunyan or the Don Quixote of Cervantes or the Antigone of Sophocles? I noticed a problem on the bookmobile when I first started working. And the first effect of that touch was what? SRELS Journal of Information Management.

## Community Engagement & Outreach

Louis Public Library report, 1916-17. The circulation surprises the most sanguine, the average of fiction drops a little below the usual mark, good service is done at the information or reference desk by the enthusiastic man or woman having it in charge, work is begun with the schools, and a little fraction of teachers make the children know books because they know books themselves. The bookworm fills his corner, the chronic grumbler has his little say, the usual number of prize questions are answered.
