A Laodicean

A Laodicean is quite unlike any of his other novels, but it has many of the same ingredients that made the others great. .

Listen to A Laodicean; or, The Castle of the De Stancys. A Story of Today Audiobook by Thomas Hardy and Anna Bentinck

I'm glad I read it and will definitely continue my goal to try and read every novel that Hardy wrote. I really enjoy this reader and have been seeking out his books that are mostly English Victorians. Sometimes, though, as with A Laodicean, they turn out to be undiscovered treasures! This DRM-Free edition published by epubBooks, 2010.

An Interesting Summary of Thomas Hardy's A Laodicean

Not only is Paula the heiress of her late father's railroad fortune, she is also the new owner of Stancy Castle, th I have read Thomas Hardy before, so I wasn't afraid to read this very-small-print-and-many-pages book that my book club chose for this month. Hardy wrote poetry throughout his life and regarded himself primarily as a poet, although his first collection was not published until 1898. The graveyard being quite open on its westernside, the tweed-clad figure of the young draughtsman, and the tall mass of antique masonry which rose above him to a battlemented parapet, were fired to a great brightness by the solar rays, that crossed the neighbouring mead like a warp of gold threads, in whose mazes groups of equally lustrous gnats danced and wailed incessantly.

A Laodicean: Or, The Castle of the De Stancys, a Story of To

Half-written and half-dictated on his sickbed, the novel is a curio in the canon and worth reading for fans of the lighter side of Hardy. I won't say it's not worth reading - I just don't think I'll be picking it up again. The ending was also a bit weird.

A Laodicean: Or, The Castle of the De Stancys, a Story of To

Captain De Stancy represents to Paula the notion of. It's a shame about the variability of the middle part of the novel; it could have been great. The Everyman edition of the novel from 1997, edited by Peter Widdowson, has a useful introduction which explores the non-realist aspects of the novel.

A Laodicean, or, The castle of the De Stancys : a story of to

Somerset and de Stancy are the two admirers of Paula, both determined to attract and marry her. It was still an enjoyable and quick read though.

A Laodicean, or, The castle of the De Stancys : a story of to

It has seemingly unrequited romance, conspiracy, forgery, This is a good, but not great, Hardy novel, which means it is not HIS best, but still far surpasses the best work of many lesser novelists. It's not like there aren't enough women to go around I was not familiar with this novel by Thomas Hardy until I read it. Thence he could observe the walls of the lower court in detail, and the old mosses with which they were padded—mosses that from time immemorial had been burnt brown every summer, and every winter had grown green again.

A Laodicean: A Story of Today by Thomas Hardy

Not only is Paula the heiress of her late father's railroad fortune, she is also the new owner of Stancy Castle, the ancestral home of the De Stancy Family. I love the odd books that LibriVox turns up.
