Billy has a difficult decision to make. Billy older 33 years old , married and a little more mature still lives in his fantasies but finally decides to grow up.

Billy Liar On The Moon by Keith Waterhouse

Unfortunately, Billy's wild imagination leads him to tell lies constantly: to his parents, his employer, and his three girlfriends. When they go for a walk, it's Liz who first asks Billy to marry her, but he doesn't seem to take her seriously or perhaps want to? About this Item: Puffin Books, UK, 1981. It obviously has spoken to many over the years.
