### Ch'ŏllo yŏkchŏng

As in the Jewish tradition, East Asian peoples have developed symbolic meanings for numbers. He compared the Korean people to the Canaanites and himself to Caleb or Joshua, who gave a positive report, unlike the other ten spies of the Israelites.

### 김 원봉 1898

He also advocated Buddhism as philosophy HYC 2: 38—43. These are the ultimate goals of practice in Won Buddhism. However rapidly changing circumstances may be, there is no time period that could inhibit chisa from carrying out his work.

### Yŏkchŏng : na ŭi ch'ŏngnyŏn sidae : Yi Yŏng

To my great sadness, he passed away in August 2011. But he found that people believed that the Buddhist Ten Judges in Hades decided the fate of the soul of the deceased.

### The Making of Korean Christianity

Without observing these precepts, there is no way to return to the true religion, to Śākyamuni Buddha, and to the Great Enlightenment.

### Ostasien denken eBook (2015) / 978

The main areas of the reforms, designed to make the san. In 1883 Ross changed the spelling of Hanŭnim to Hananim.
