## Timeline of United Nations peacekeeping missions

What exactly is the purpose of the military action and how are armed forces to conduct themselves in defending, protecting, or rescuing others from their own government? We will be better prepared to respond to this new vulnerability in American democracy, whenever it emerges. Conscription was never popular but it worked when it was needed. All those small wars in the Muslim world so far can only be described as serial failures.

## Unintended consequences? Foreign intervention, polarization, and conflict in MENA

### **Third**

Absent an existential threat like the Soviet Bloc, American military assets, treasure, and young lives have been squandered on a series of small wars where the conflicts are ephemeral and undeclared whilst objectives, or measures of effectiveness, are unclear.

### **Military Intervention, Humanitarian**

New York: Basic Books, 1977, 2000. Some stricter definitions require a purity or primacy of intention in the use of armed force: militarily addressing the suffering of others for reasons of national interest, then, by definition, are not humanitarian interventions.
