## Paul Allen

As recently as January 2008 I sent two bindings to my conservator, the exquisite Rossetti volume, mentioned above, in need of some modest repairs, and a special Toof binding on a Japan vellum copy of The Bibelot which was pictured in The American Bookbinder. Designed by and Local Projects this gallery enabled access to the museums permanent collection and created unprecedented interactions between the collection and users. Her two star pupils were the wealthy Rachael MacMasters Miller Hunt and her friend Elizabeth Utley.

## Jose Guadalupe Posada: His Art & Times

I understand that you were born in Bushnell, Illinois, on March 12, 1927? That was one question I wanted to ask. And after Pete left, and assuming that Pete had done none of that before he left here, which I believe he hadn't and which I think he says he hadn't, someplace in there Rudy started those things.

## Paul Allen

Then I had to come out here and work with Paul Bonifas.

## Extra Binding and The Mosher Books—An Overview from the Bishop Collection

I started just drawing portraits, and probably at the U.

## The Route of the Exhibition

LAMAR HARRINGTON: I see, yes. He saw them in a bone, in the bumps of a cave, in a piece of wood.

## **Extra Binding and The Mosher Books—An Overview from the Bishop Collection**

ROBERT SPERRY: Very, yeah, much more simple, much more simple.

### **Dezeen**

A second location in Los Angeles is under construction.

### **RR Donnelley**

And then how few you really see; it's, there isn't much quality in the work.
