Balchen, pertaining to Bernt Balchen's life and career; scrapbooks; photographs; and other papers relating to Balchen's career in aviation and exploration. Army Air Corps later the Army Air Forces including construction of an air base and rescue operations in Greenland and Balchen's support for the Norwegian underground resistance movement; and his work with Norske Luftfartselskap Norwegian Airlines in the 1930s and 1940s. I tåge og mørke satte han den tunge flyvermaskine ned på havet uden for Frankrigs kyst.

Bernt Balchen

But despite these achievements, Norwegian-American aviator Bernt Balchen saw his public image and military career repeatedly undermined by his one-time mentor, the famous and influential Admiral Richard Byrd. I denne bog fortælles om B.
