## Some Thoughts on Evangelism

He cannot show that Montgomery was telling the truth. Others, however, are provoked to reject, revile, and oppose the good news. Painters, musicians, actors, dancers, illusionists, and mimes are all welcome.

## The Art of Cross

Churches in America can contribute real solutions to problems and in so doing can add value to the gospel message. Evangelical churches throughout Europe are welcoming these mostly Muslim immigrants, meeting their physical and spiritual needs.

## Congress of Evangelism Begins in France

Can you even make a case that he had knowledge of Pilate being mentioned in other connections? He has taken Christ's commission to make disciples as seriously as it was given. If so, God may be calling you to Adventure in Europe! The survey also details progress in national coverage: 87 per cent of the country is now said to be within half an hour's drive of an evangelical congregation.

## Online School of Biblical Evangelism

Many of the new communities have strong ethnic ties and their own way of worship. When she's not writing, she enjoys reading books and hiking in the Smoky Mountains.

## CfaN: The mission organisation of Reinhard Bonnke and Daniel Kolenda

Pilate is not mentioned only in connection with the death of Jesus. Bilbo: Firstly, all that the mistake shows is that he was in error at the time of writing.

## Is mass evangelism beneficial in the church?

Non-Christian dart players are sought out and welcomed. Perhaps a bit of both.

## **20G11**

Montgomery lies and says that it was a striking example of scepticism that sceptics denied that Pilate existed, and that this was put to rest in 1961. Over 10,000 courses now run in over 100 countries every year, and the material has been translated into more than 50 languages.
