Social Rights and Duties, Volume I (of 2)Addresses to Ethical Societies

Further, the NASW Code of Ethics does not specify which values, principles, and standards are most important and ought to outweigh others in instances when they conflict. But I will say this, that, in any case, and whatever the ultimate meaning of right and wrong, all political and social questions must be discussed with a continual reference to experience, to the contents as well as to the form of their meta- physical concepts. The common good is a notion that originated more than 2,000 years ago in the writings of Plato, Aristotle, and Cicero.

Social Rights And Duties: Addresses to Ethical Societies. Vol 2 [of 2] by Stephen

Project Gutenberg believes the Court has no jurisdiction over the matter, but until the issue is resolved, it will comply. We must not ask simply whether we were giving a loaf to this or that starving man, or indulge in a priori reasoning as to the right of every human being to be supported by others ; but treat the question as a physician should treat a disease, and consider whether, on the whole, the new regulations would increase or diminish the causes of the existing evils.

Social Rights And Duties Addresses to Ethical Societies Vol II by Leslie Stephen

We must question everything, and be prepared to modify or abandon whatever is un- tenable.

Social Responsibility and Ethics

Social workers act honestly and responsibly and promote ethical practices on the part of the organizations with which they are affiliated. His own researches are carefully described, with the apparent assumption that they were both profound and of tremendous significance.

Social rights and duties, addresses to ethical societies : Stephen, Leslie, Sir, 1832

But duties may have an even larger role to play than simply completing the circuit of rights fulfillment. It seems to be a very simple rule, but it leads us at once to great difficulties. The reply, of course, is equally obvious.

Social Contract Theory

NASW, 2008 The NASW Code of Ethics cannot guarantee all ethical behavior, therefore it is up to you as a social worker to follow the Code of Ethics and best represent the profession. Old-fashioned political theorists thought that a simple change of the constitutional machinery would of itself remedy all evils, and failed to recognise that behind the institutions lie all the instincts and capabilities of the men who are to work them.

Code of Ethics

Therefore, as a social worker you must take serious action in deciding if a client is serious about harming another person.
