Conference Presentations

Geological Society of America annual meeting, Denver, CO, Sep.

The influence of rock fabric on excavation damage in the Lac du Bonnet granite

ACCESS Annual Meeting, Montreal, QC, May.

Metamorphic Geology: Research Publications

Truth and beauty in metamorphism: A tribute to Dugald M. ACCESS Meeting, Charlottetown, PE, May. This anisotropy exists at a wide range of scales, from the localization of fault zones along low-dipping layering at the kilometre-scale, to the localization of failure around tunnels by separation along this and other weakness directions.

Representative Research Publications

In: Program with abstracts, Cordilleran Tectonics Workshop, Vancouver BC, February 22-24, 2017. Withdrawal from Competition The Society receives many more submissions than are ultimately selected for presentation at the Poliquin Resident Research Competition. International Applied Geochemistry Symposium, Oviedo, Spain, June.

Conference Presentations

Modern Dinoflagellate Cysts in Estuarine Systems of New England USA.

Metamorphic Geology: Research Publications

Importance of Mangroves and Salt Marshes to Global Biodiversity. Goldschmidt Geochemistry Conference, Edinburgh, Scotland, Aug.

Geography of Liberia

The coalbed methane potential of Permian coals in the Paraná Basin of Brazil.
