Acts 4:5

It is the sworn oath of the Archon to defend and promote the faith and tradition.

Archons

X Nashville: Abingdon Press, 2002 Walaskay, Paul W. Not only can he expect to be killed if a prisoner has escaped, but he will also be humiliated before his peers, who will carry out his execution. Inside Byzantium, the term could be used to refer to any powerful noble or magnate, but in a technical sense, it was applied to a class of provincial governors.

Gematria value of archontas is 373

Merlin knew the ship inside and out and was clearly headed somewhere. In reporting this, Luke clearly sees problems on two levels.

Acts 4:5

This strikes fear in the heart of the magistrates, because they do not have the authority to beat and jail Roman citizens without due process of law.

Gematria value of archontas is 373

The First Readings: The Old Testament and Acts Grand Rapids: William B.

ARCHONTAS

In most circumstances, ruling authorities would honor people who did a good deed.
