The orphan boy and other tales (1842 edition)

Reading the same plot over and over again can be tiresome, so I'm quite glad that I read a different story or two each day for a fortnight.

Warriors, Widows and Orphans : And Other Tales of Southern Colorado by Kay Beth Faris

Pam Jenoff is the author of several books of historical fiction, including the NYT bestseller The Orphan's Tale.

Warriors, Widows and Orphans : And Other Tales of Southern Colorado by Kay Beth Faris

M Montgomery that also featured orphans.

The Orphan Boy, and Other Tales by Mary Martha Sherwood

There isn't one story I dislike, though some are more forgettable than others. And really, the only minor caveat and advice I would tend to give to potential readers and this actually pertains to all eight books in the Rea Wilmshurst as editor series is to make sure to read the foreword AFTER having perused the main text, the collected stories, if one wants to avoid possible spoilers as the introduction is basically a generally rather detailed literary analysis of the tales featured.
