The sample size depended on the number of cases recorded in the DHIMS 2 database for all the sub-districts under the municipality. Internal Medicine Journal, 43 2 , 203-205.

Annals of the University of Otago Medical School 1875

Retos: Nuevas tendencias en Educacion Fisica, Deporte y Recreacion Challenges: New tendencies in Physical Education, Sport and Recreation , 28: 197-202. This, notwithstanding, the latest reported cases for typhoid fever in Ghana still showed a worrying trend and a major public health concern.

Department of Medicine staff profiles, Department of Medicine, University of Otago, New Zealand

Knowledge of the prevalence can also be used by other areas in Ghana and other sub-Saharan African countries in designing policies and programs aimed at improving and promoting population health and wellbeing.

Department of Medicine

Journal of Integrative Medicine, 16 2 , 99-105. This was to ensure the representativeness of the study.
