In February 2017, a twenty-five-year-old man suffered a fatal overdose in one of its bathrooms. We have also included some useful non-ESOL links for reading and math.

HCPL

The public libraries also offer guidance and training in information search and quality rating of information sources.

HCPL

One month free with code IRLTWINKL-HELPS has homework help resources, games, videos and more is a non-profit offering free video tutorials in maths and reading have created a free learn from home site with 20+ days of learning and activities is a free, online collection of easy-to-read and illustrated stories, comics and poems for kids, arranged by theme is a free Irish app from TG4, aimed at two groups: Cúla4 na nÓg is aimed at under-sixes, while Cúla4 is aimed at older children.

Mutual learning is encouraged whether in a learning pair or in a small group. The site provides grammar lessons at different levels. In light of severe budget cuts, and the unforeseen staffing costs of a newly built library, literacy was not viewed as a library service even though nearly two hundred learners and library users benefited from the service with reading, writing, and work-related instruction.
