Ollie joined us but did not intervene. There happen to be eBooks for everyone. Willie Nelson wailed from a jukebox beyond the tables.

BigCityLib Strikes Back: November 2006

I noticed that her fingers were well manicured and free of nicotine stains. Starchild is going to Sing-Sing! Presumably this is left up to the discretion of the arresting officer.

For some reason I was thinking ASagiO -- maybe thinking of adagio? After asking around, Summers received a list of known congressional IP addresses from, an organization focused on government transparency.

Lamka: May 2008

Geshuri received no public vetting, as most appointed board members do not. The dogs aren't getting walked as much right now but I believe I will be able to walk them both again pretty soon. Although many users arrive at Wikipedia by finding a specific article through a search engine, the Main Page as Wikipedians call it is far and away the most visible real estate across the website and.

Trudeau's Pirouette

I had tremendous fun researching and writing Iconic Photos, and the Patreon is a way for this blog to be self-sustaining. Motorola claimed that three of its former engineers stole more than 7,000 proprietary technology files and provided them to Hytera. There's certainly nothing in the MSM to indicate that he's having second thoughts.

CANADIAN REVIEW

The second half of this post is a roundup of presentations I attended, or wished I attended, with media available so you can follow up at your own pace.
