## Dissecting the meaning of 'God Bless America:' Ethics and Religion Talk

Under the Treaty of Versailles, which had ended , this territory running along the border of Germany and France was to remain demilitarized. Americans know this from experience — almost every town in this country has its monuments honoring those who sacrificed their lives in defense of freedom, both at home and abroad. Politics is, instead, an expression of our compelling need to live as one, in order to build as one the greatest common good: that of a community which sacrifices particular interests in order to share, in justice and peace, its goods, its interests, its social life.
