Binding very good, firm and stable. The Bloodhound is handled on a tracking harness, which has a metal ring above the shoulders, to which a leash is attached, so that the hound's neck is not jerked up when the leash becomes taut, as it would with a collar.

DERRYDALE PRESS. THOMAS, JOSEPH B. Hounds and Hunting through the Ages. New York 1928. 4to, original red morocco gilt, t.e.g., others uncut, extremities and corners rubbed. LIMITED EDITION, no. 7 of 50 de luxe copies on Van Gelder paper from an edition of 800, with a color photo

Generally in training, the handler must know exactly where the runner went, so that he does not encourage the hound when it is wrong, or 'correct' it when it is on the scent, but he should not be too ready with his corrections if the hound goes astray, or it may come to rely on him. Each page is checked manually before printing. Authoritative and comprehensive, this great modern classic of the chase remains one of the most famous books of our time on the whole art and sport of Foxhunting.

A hound and its handler start a set time later, and try to follow his trail, while the judge, equipped with a copy of the map, follows behind assessing their performance. Huberts were suitable for people with gout to follow, but not for those who wished to shorten the life of the hunted animal.

Hounds and Hunting Through the Ages by Thomas, Joseph B., Introduction By the Earl of Lonsdale: Fine Three Quarters Morocco (1928) First Edition.

Author bio The late Joseph B. We are told it was done from life, and detail such as the soft hang of the ear indicates it was carefully observed.
