BLR Lever

Our Safety Toolbox Talks are ready to download and customize, and carefully selected by BLR's OSHA experts. Here are some of the points it should cover and a means to save the work of having to write it yourself.

Sample Personnel and Human Resource Policies

The rifle is easily and quickly assembled without tools by simply sliding the barrel half into the receiver half and locking them together with the flip of a lever.

Job Description Manager

Are you an environment, health, and safety EHS professional with something to contribute to your professional community? Store your customized job descriptions right in the cloud-based tool. The system is rugged, precise and blends seamlessly into the styling of the rifle.

Job Description Manager

The results of our research are used to design new regulations and guidelines for a beneficial and healthy working environment.

Special Topics in Safety Management Archives

Export one or multiple job descriptions, then print or e-mail them-the choice is yours. The Job Description Manager is more than just job description templates. Psychosocial and Organizational Factors Part VI.

ILO Encyclopaedia of Occupational Health and Safety

The design of the BLR is as modern as tomorrow with an aircraft-grade alloy receiver, glass-smooth rack and pinion system and multi-lug rotating bolt that handles many of the most popular magnum cartridges, including the fast WSMs. A long eye-relief scope is required not included. The importance of well-written, accurate job descriptions cannot be understated.
