Medical books Foundations of Parasitology. The authors did a great job stating the information clearly so as to enhance the reader's understanding and knowledge, without being wordy or confusing.

**Gerald D. Schmidt & Larry S. Roberts' foundations of parasitology : Roberts, Larry S., 1935**

Foundations of Parasitology, 9th Edition by Larry Roberts, John Janovy Jr. Others I've had focused more on pathogenesis and prevalence, and did not detail life cycles, larva stages, etc. So, all in all this is truly 5 star material.
