Grief can be felt in response to all types of losses.

Loss Of The Assumptive World

What Cannot Be Remembered or Forgotten, Henry Krystal¹⁵. When I asked her how long this was going to go on, she exploded in a rage! It liberates mourners from discounting or dismissal of the significance of their losses or of the extent and depth of their suffering, discouragement of expressions of their hurt, oppressive interference in efforts to come to terms with brokenness and anguish, isolation, and inappropriate social sanction.
