### Edutopia

L2 competence was measured by pre- and post- a cloze test and b English-language summary writing, scored for length and error-free clauses and words.

### The Social Norms Approach: Theory, Research, and Annotated Bibliography

Major problem: Is extensive reading a more effective method for acquiring reading skill than intensive reading? However, it is meant to be an academic source, so I will need to adapt the information to suit my audience. The importance of religion to a student is tested, as well as college size, college culture, the importance of community service, engaging in other risky behaviors, and time spent studying, with friends, and partying.

### Research Project on Alcohol and Special Populations: Summary Paragraph

But at the age of eighteen, you are classified as an adult but you are not allowed to crack open a beer if you wanted to. In the case of oral language development in ESL, this research has made significant contributions both to classroom teaching and to the materials being published for classroom use.

### Annotated Bibliography: Drunk Driving

Haines, Barker and Rice 2003 reported similar results for both tobacco and alcohol in social norms marketing campaigns conducted in two Mid-western high schools.

### 50+ Annotated Bibliography Topics for Your Research Paper

Among the suggested benefits of reading such books are their modern themes, fast pace, relatively short page length, uncomplicated plots, and contemporary language. Finally some conclusions are reached in the light of our experiences, which may have implications for the design and implementation of similar programmes. The method has the advantage that adult students can practice from the beginning with adult materials.
