There's Still a Few Bugs in the System

And Grant Morrison's JLA run ended with every person on Earth getting superpowers. The Doom Patrol and Young Justice both set up their HQs for a while there, too.

Still a few bugs in the system: Protests in the Park

While I was in PA, I was amazed at how corrupt a political system could be.

Walden College Library: 1. Still a Few Bugs in the System (June, 1972)

Sholevar was one of the attending psychiatrists that I met when I started working there. Oh, actually, I just linked to--and guess what, it's written by Elliot S! And then his grandfather gives him shit for having tried to be a super hero, when that's what his family wanted him to do anyways? That night, they leave the computer on as usual. It is often a surprise to find where most of the time is taken by a piece of code, and this removal of assumptions might cause the code to be rewritten.

Still a few bugs in the system: 2012

I might be mistaken, but perhaps not. In some cases, changes to the code eliminate the problem even though the code then no longer matches the documentation. When the X-rays were done, even I could look at them and tell that her leg was broken it turned out to be fractured in 3 places.

Still a few bugs in the system: Flour to the people!

The title of this piece is a quote from Miss Piggy of the Muppets. No one was left to direct my father, so he started walking around the tiny community, looking for the cemetery.

STILL A FEW BUGS IN THE SYSTEM

On a Sunday on Mount Desert Island in December, though, options were limited to the hospital in Bar Harbor. It would seem, regardless of how

organised I pride myself on being. I am a tad undomesticated. Question could be seen as standing in for Rorschach.
