Here every enclosed field is like a verse in the great poem of land reclamation.

### Essay Book Reviews

This is particularly so with two languages like Irish and English, one carrying the echoes of 1,500 years of literature at least, the other a neophyte vacuum cleaner sweeping up all around it. D'fhéadfadh sé nach taifead iomlán é agus nach bhfuil aon rangú in ord bailíochta déanta ar an bhfianaise atá ann. The interior now includes a sleeper from the railway in one of the bedrooms, an old Stanley stove found in a salvage yard in Co Meath and a mid-century press, once common in Donegal homes, at an auction in Letterkenny.
