In the series he is seen as a grouchy and occasionally incompetent oaf, although he is seen in the as an evil and menacing ruler.

**Babar and His Children by Jean de Brunhoff**

He is also in the same grade and class as them, in school. .

What might have been a fun story, the narrative didn't not do much to capture my interest. Throughout history, colonies were won in exactly this way — first kill the elders, then reeducate the children in more palatable homes, and finally, have those children recruit many others. Discussion topics: To be posted soon.

## Characters

Fine in Near Fine dust jacket. She can more than hold her own with her two brothers. .

**Babar and His Children by Jean de Brunhoff**

Some of the parenting issues felt rather outdated to me not surprising given the publication date , but then, I also found some of the adventures rather sweet. Finally, the woman reached down, scooped up a bottleful of the liquid, and had the boy drink it down.

**Babar and His Children by Jean De Brunhoff: 9780394805771**

However, he is a dedicated ruler and world traveler.
