

shlokas and mantras properly.

[illegible]

Sri Saraswati ashtottara satanama stotram

Invoking the Sun God by this mantra makes one fearless. The negative thoughts of ego, anger, greed, desire and treachery are also cleansed from his mind. However, certain rules need to be kept in mind during chanting to get the above mentioned results to the fullest. These mantras manifest the different qualities of Surya such as will-power, fame, general vitality, courage, kingship and authority etc.
