Mark W. Weber papers

Haldeman Julius 5 21 Direct Legislation, by J. According, to Planned Economy for December, 1940, the Russian miner, in spite of the vicious speed-up system of Stakhanovism, produced less than half the tonnage of the American 370 tons as against 844. It is a question of history as to whether the new system in Russia which calls itself socialist is an entirely new variety of socialism or whether it realizes a pre-existing body of ideas identified by that name.
