Math Number Formation Poems @ Little Giraffes Teaching Ideas

Four little speckled frogs... Three little speckled frogs... Repeat verses until there are no speckled frogs left: One little speckled frog Sat on a speckled log Eating some most delicious bugs. When they find the numbers they arrange them in to order.

Counting Songs for Kids

But he knew this would not be enough, for counting to ten alone would not allow the people to calculate and solve their problems.

Math Number Formation Poems @ Little Giraffes Teaching Ideas

They thought about all the things in their life that came in pairs. Mother Duck Said Quack Quack Quack Quack! The maid was in the garden, Hanging out the clothes, When down came a blackbird And pecked off her nose. Prince Divide always splits things up equally.

Picture Books That Teach Counting and Learning Numbers

The numbers are clearly present in the book, which gives the reader the opportunity to ask the children to point to 10, or 20, or so on.
