## Organizational Communication: Approaches and Processes

Would you consider bringing in a mediator to help them work through their issues? Miller is the author of three books and more than 50 journal articles and book chapters. Adopting this system required outfitting each person with his or her own PDA as well as purchasing the complex business software for inventory control.

### 4 Main Types of Organizational Communication [Pros and Cons]

An employee can get halfway through a project and find out they misheard the directions.

### Organizational Communication Approaches and Processes

Brandon worked twenty hours per week at the Baxter Company, a small manufacturing firm that assembled corrugated boxes.
