III The fattest harts^o in all Cheviot deer He would kill and carry away. Experiences with Joe - This story is about how Joe used to give him the torn comics without the covers to read, and how Joe used to have dinner at their house often. You were my first love, my heart felt so safe with you, until you froze it to ice.

WILLIAM SOMERVILE: The CHACE, a POEM/FOX

For this reason, and because it is not common to notate precisely and accurately microtonal variations from a twelve-tone equal tempered scale, maqam scales are, in practice, learned auditorally. Since microtonal intervals are impractical to accurately notate, a simplified musical notation system was adopted in Arabic music at the turn of the 20th century.
