Webinar to Discuss 'The Role of Muslim Woman in Modern Society'

Islam covers many lands with many diverse cultures. For example, you should always wear modest clothing, and confidently explain to others that you are not forced to wear such clothes, rather you choose to dress modestly having understood the deep wisdom underpinning your faith. It is ironical that all of them claim that Islam liberated women 1400 years ago.

First they must sell themselves, that is gain trust and credibility; for example real estate sales people are told that it is not the house that they must sell to their customers, it is themselves.

The Equality of Women and Their Role in Society

In this way, you will be the foundation for a cycle of perpetual humanity, morality and peace amongst the coming generations. While more than eight-in-ten Muslims in Tunisia 89% and Morocco 85% say women should have the right to choose whether they wear a veil, fewer than half in

Egypt 46% , Jordan 45% , Iraq 45% and Afghanistan 30% say the same. Same evidence, filtered through different paradigm.

The Role of Women in Islam

You will be ensuring that your children grow to be role models, who will understand their duties to those who follow them.
