The Airmen and the Headhunters

Hot and wet — partly from their exertions and partly from the air so close they felt they could have parted it with their hands — they sat down in the brush, a few yards from a muddy bank. He could no longer see or hear it.

The Airmen and the Headhunters: A True Story of Lost Soldiers, Heroic Tribesmen and the Unlikeliest Rescue of World War II by Judith M. Heimann

Phil and Dan had heard that after Pearl Harbor the Japanese army had been able to walk into Southeast Asia and take charge because the native people had welcomed them as liberators from their colonial oppressors. The book follow these men in their epic struggle to survive and how they are assisted by these tribesmen where they almost become part of the tribe and how their landings in Borneo indirectly led to the resistance by these tribesmen and oth The title of the book is somewhat misleading as the book covers way more than it suggests.

The Airmen and the Headhunters

When they came across a rivulet, they followed it downstream until it gradually broadened into a larger stream.

The Airmen and the Headhunters: A True Story of Lost Soldiers, Heroic Tribesmen and the Unlikeliest Rescue of World War II
eBook: Heimann, Judith M.: tech.radiozamanah.com.au: Kindle Store

He motioned the airmen to follow him into a tall thatched hut about forty feet long that rested on stilts some six feet high. The airmen were all thumbs, trying to get rid of their sidearms.
